

## Dorianne van Schaijk

Dorianne van Schaijk has been the Careers Advisor and Trainer at Erasmus University Rotterdam since 2003. She gives individual counseling and conducts workshops regarding several career subjects, e.g. application letter and cv, self-analysis (*who am I, what do I want, what am I good at?*), the strategy about how to find a job, how to prepare for a job interview/assessment center etc. She has more than 20 years of work experience in helping/guiding people to work and to make choices in their profession and professional life: as an occupational counselor, a trainer and a careers adviser. She studied at University of Utrecht and Saxion Hogeschool Deventer.
